Friends of the North Kingstown Free Library

- The Friends of the North Kingstown Free Library is a non-profit organization, established in 1955 to reach out to the community by encouraging library use.

- If you think of the library as a special place you can declare your friendship by joining the Friends of the North Kingstown Free Library.

Benefits of Membership

- The biggest benefit is the satisfaction of supporting your library. The Friends provide the funding for lectures, discussions, movies, performances and demonstrations. The Friends maintain the library gardens and donated the plants and labor to revitalize our sunken garden.

- Subscription to "Among Friends", the newsletter of library events and information that is published eleven times a year.
